UNAUTHORIZED FUNDRAISER TARGETS LONDONDERRY HIGH SCHOOL

Area businesses contacted by a fundraising organization that poses as a representative of LHS Staff.

Area businesses have informed the Londonderry School District that they have been contacted by a fundraising organization purportedly representing LHS Athletic programs that is selling advertisement space on t-shirts, banners, and other promotional materials. While the materials seem to be from Londonderry High School, the District has not endorsed this or any other fundraising organization outside of the community. Area residents should be advised that the school receives no funds from this organization, and that the fund raising is not benefitting LHS programs in any way.

The School District encourages anyone who is contacted by an organization other than sanctioned booster clubs contact either the LHS main office or the Londonderry School District office to verify the validity of the fundraiser before entering into any agreement or sending on money. Anyone with information regarding this fundraiser is encouraged to contact the Londonderry School District office.
