About Yearbook Scholarships:

Rather than purchase an advertisement, some businesses/organizations prefer to sponsor a "yearbook scholarship" by donating money toward the purchase of a yearbook for a student in financial need.

Although any amount is appreciated, **a donation of \$70 will cover the cost** of a book for a student. Below please indicate how much you would like to donate, and whether or not you would like your name and/or organization to be listed on the donation sponsor page in the yearbook. Thank you for your generosity!
