

# NORTH SCHOOL PBIS: WE FOLLOW

**BEAR TRACKS TO SUCCESS**  
(Respect, Responsibility, and  
Safety)

PBIS is a positive behavioral intervention system. This system is a part of our school climate and culture, with well-defined behavioral expectations known as:

**BEAR TRACKS TO SUCCESS** (Respect, Responsibility, and Safety)

These expectations will include **all** extensions of the learning environment at North School (even activities that occur before or after school hours).

## **BEHAVIOR MISSION:**

To promote respectful, responsible, and safe North School citizens.

### **6 CLASSROOM RULES:**

- 1. Listen when an adult is talking**
- 2. Follow directions quickly**
- 3. Raise your hand to speak or leave your seat**
- 4. Be a bucket filler**
- 5. Make smart choices**
- 6. Keep your dear teacher happy**

What is a Bucket Filler?

Everyone carries an invisible bucket with them every day. When someone smiles or does something kind for you, your bucket gets filled. If someone is unkind to you, your bucket gets emptied and so does the bucket of the unkind person. We are Bucket Fillers in our room!
