Dear Parents;

We have a very busy month. It will fly by and then we can really look forward to spring. Please be sure to check the homework calendar with your child. The nights of homework are greatly impacted due to the State Assessment (known as SBAC). There are 2 weeks with no homework at all. Some of the other weeks the spelling assignments have been doubled for one night. Phew! We will get through it but you must help your child to recognize all the changes. Thank You!
