

EDUCATIONAL PHILOSOPHY

The School Board believes that education should be shaped by purposes rather than forces. Therefore, the educational system of this District, while maintaining flexibility in adapting to an ever-changing society, will be dedicated to the implementation of its vision and mission statements.

Our Shared Vision:

The Londonderry School District will provide appropriate individualized academic, social, emotional and physical learning opportunities in order to establish a dynamic foundation for quality education and continued student growth.

Our Mission:

Our mission is to provide all students with the vision, skills, and knowledge necessary to maximize their individual potential. Central to this accomplishment is the collaboration among all shareholders and disciplines so that students can become contributing members of society and appreciate that learning is a life-long process.

In essence, mutual responsibility and accountability of the District, parents, community members and students is “Giving Wings to Children’s Dreams!”
