

UNEXPIRED TERMS

The Londonderry School Board shall fill vacancies on the Board, and in other district offices, except moderator, in accordance with RSA 197:26.

Because of the difficulty of orienting new members, the policy of the Londonderry School Board is to not fill vacancies occurring after January first. Such vacancies will be filled by ballot at Town Meeting.

For vacancies occurring before January first, the Londonderry School Board will make every effort to publicize and fill the vacancy with a qualified person as quick as possible.
