

**HOMEBOUND INSTRUCTION**

Any request for homebound instruction shall be made directly to the Pupil Services Director.

For students who have an Individualized Education Program (IEP) or a 504 Plan, the Pupil Services Director will convene a team meeting to consider the request for homebound instruction. IEP teams will comply with New Hampshire Special Education Rule Ed 1111.05 in developing a homebound instruction program for special education students.

For all other students, the Pupil Services Director will convene a team meeting, which will include a nurse and a guidance counselor. The team will consider the request for homebound instruction, which may include referral for services under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act.

In all requests for homebound instruction, the team shall request documentation of the student's medical condition, including but not limited to a release of records from the student's physician(s). The team, with input from the parent(s) and/or legal guardian(s), shall determine whether homebound instruction is appropriate for the student. If appropriate, the team, with input from the parent(s) and/or legal guardian(s), shall develop a homebound instruction plan which includes the duration and frequency of the student's homebound instruction. The team shall reconvene and review the student's homebound instruction plan every ten (10) weeks. The team may reconvene on a more frequent basis, if warranted by the student's condition.

**Location of Homebound Instruction**

The location of services will be designated by the Pupil Services Director, with input from the student's team. The location of services may be the student's home, a health care facility, or other location approved by the Pupil Services Director. If services are to be provided in the home, a home visit must be completed prior to the initiation of services. If services are to be provided in the home, the parent or guardian must identify an adult who will be present at all times and agree to confine all pets prior to the arrival of the homebound teacher. The location may not be changed without prior approval of the Pupil Services Director.

Homebound instruction does not include parent designed home education programs, as defined in RSA 193-A:4.
