

ADVANCED COLLEGE PLACEMENT

It is the belief of the Board that any student who is capable of, and wishes to do, college-level work while in high school should be permitted to do so and given assistance in enrolling in advanced courses.

Any 11th or 12th grade student whose admission to a college-level course is recommended by his counselor may enroll in a course at an approved college for college credit, at no cost to the district. If the student wishes to receive high school credit for the course, he may request permission from his principal, through the counselor, to apply the course toward high school graduation requirements.
