

USE OF STUDENTS IN PUBLIC INFORMATION PROGRAM

The participation of pupils in interpreting the educational program of the schools to the community shall be encouraged, with the understanding that while within the school jurisdiction:

1. Pupils shall not be exploited for the benefit of any individual or group
2. Pupils shall participate only in appropriate situations
3. The use of pupils shall always be evaluated in terms of the effect on the child
4. The best possible community relations grow from a superior teaching job in the classroom. Enthusiastic pupils with serious intentions, well directed by sympathetic and capable teachers, are certain to communicate with the parents and the community. The Londonderry School District believes this is the cornerstone of good community relations.
